## **Learn Ballroom Dance at The Dance Space!**

All group classes are held on our large 1,600 square foot wooden dance floor with state-of-the-art sound system. We are located on the north side of Broad Street between Horsepen and Libbie. Private lessons are also available.

## **Inexpensive and Convenient!**

Group classes are a low cost alternative to private dance lessons. No commitment is necessary; simply show up and pay for each class individually. Each class is taught weekly, aimed at a particular experience level, rotating among the different ballroom dances. Once you are comfortable at one level, just move on to the next level class.

## **No Experience Necessary!**

Whether you have never danced before or whether you spend all your free time on a dance floor, The Dance Space classes are for you. We offer a full range of ballroom group classes that cover everyone's need.

## *Ballroom Classes for Everyone...*

## **Beginner I**

**Wednesday 7:00pm to 7:45**

**\$5.00 per Person**

**Instructor: Michael Strahan**

The Beginner I class is designed for people who have never tried ballroom dancing or for people who are very new to ballroom dancing. The goal is to instruct the student in the concepts and terminology of American style social ballroom dancing. It provides instruction in the all the basics including footwork, timing, dance position, and lead.

During the sequence of classes you will learn the characteristics and the first one or two steps in each of the six major ballroom dances: foxtrot, waltz, tango, rumba, swing, and cha-cha.

## **Beginner II**

**Wednesday 7:45pm to 8:30**

**\$5.00 per Person**

**Instructor: Michael Strahan**

The Beginner II class is designed for ballroom dancers with limited experience. The class is taught at the Pre-Bronze level for American style of social ballroom dance.

The goal of the class is to provide the student with the ability to dance socially at ballroom dance events in the Richmond area. During the sequence of classes you will learn the footwork and technique for the first three or four steps in each of the six major ballroom dances.

## **Intermediate I**

**Wednesday 8:30pm to 9:15**

**\$5.00 per Person**

**Instructor: Michael Strahan**

The Intermediate I class is designed for people who have mastered basic social ballroom dancing and who want to expand their ability to dance. The class is taught at the American style Junior Bronze level. The goal of the class is to prepare the student to be comfortable in most social dance situations.

During the sequence of classes you will learn the footwork and technique for the first five or six steps in each of the six major ballroom dances. The class also includes an introduction to minor dances such as hustle, samba and quickstep.

## **Beginner Mini-Series**

**Thursday 8:00pm to 9:00**

**\$7.00 per Person**

**Instructor: Phyllis Harris**

The Beginner Mini-Series class is designed for people who have never tried ballroom dancing or for people who are new to ballroom dancing. The goal is to instruct the student in the concepts and terminology of ballroom dancing and to cover all the basics including footwork, timing, dance position, and lead.

This class covers one dance in a series of lessons over an entire month, giving you time to perfect your skills in a given dance. See our calendar for the name of this month's dance.

## **Friday Night Dance**

**Friday 8:00pm to 10:30**

**\$7.00 per Person**

**Instructor: See our monthly calendar**

Every Friday there is a public ballroom dance. It starts with a group class, from 8:00pm to 8:30pm, followed by general dancing. Strict tempo ballroom music is played and light refreshments are served.

This is practice time that is a perfect complement to any of The Dance Space group classes.
